

We will gather together-virtually-for worship!

Pastor Jen, Pastor Robin, and Pastor Evan will lead a brief order of worship with prayers, Bible readings, and message. It will be in video format, and here's how you can "attend" worship on Facebook

- Log in to your Facebook account. Go to our page, St. John by the Mall, Joliet, IL
- Join our Facebook Watch Party @ 10am.
- You don't need to do anything now to prepare, just hop on the St. John Facebook page @ 10 and the news feed will post the Watch Party so you can join.
- If you are on our church wide email list, you'll also receive a link via email by 10am on 3/22.
- You can watch the video at any time once you receive the email.
- The worship video will be posted by 10am on 3/22 on our website: stjohnjoliet.org.
- You can (re)watch the video at any time once it is posted.

What is a Facebook Watch Party?

A Facebook Watch Party is when you can digitally get together with members to watch the same video.

Can I interact or do I just watch?

While watching the video, you and your friends can do things such as react and comment in real-time.

Do I need a Facebook account to watch.

Yes you need a Facebook account to watch it with the group at 10am. However, you can watch it on the website beginning at 3.22 at 10am as well.

How do I join Facebook?

Go to <https://www.facebook.com> and sign up for an account.
