

Did'ja Know?

Jerusalem has been a holy city for more than 3000 years! Many different people have lived there. Today, Jews, Muslims, and Christians all consider Jerusalem a special city.

Creative Corner

Ash Wednesday is a special worship service. During the service we remember that one day we will all return to God. Some churches remind the people about this by placing ashes on their foreheads.

Practice making the sign of the cross on the ashes and color around it if you want.

ASH WEDNESDAY

JESUS TURNS TO
JERUSALEM

Luke 9:51-62

Jesus and his friends were walking toward the big city of Jerusalem. Jesus knew that when they got there, he was going to be arrested and killed.

Why would Jesus go there if he knew bad things would happen?

Jesus loved people – and loves us – so much. He chose to keep sharing God's love no matter what happened.

Other people wanted to follow Jesus, but they wanted to do other things first.

"I have to take care of my family first," said one.

"I need to say goodbye to my friends," said another.

Jesus shook his head. "Sharing God's love with the world has to come first," he said. "It is the most important thing there is."

Sharing God's Love

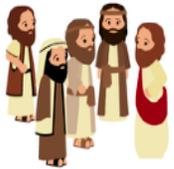

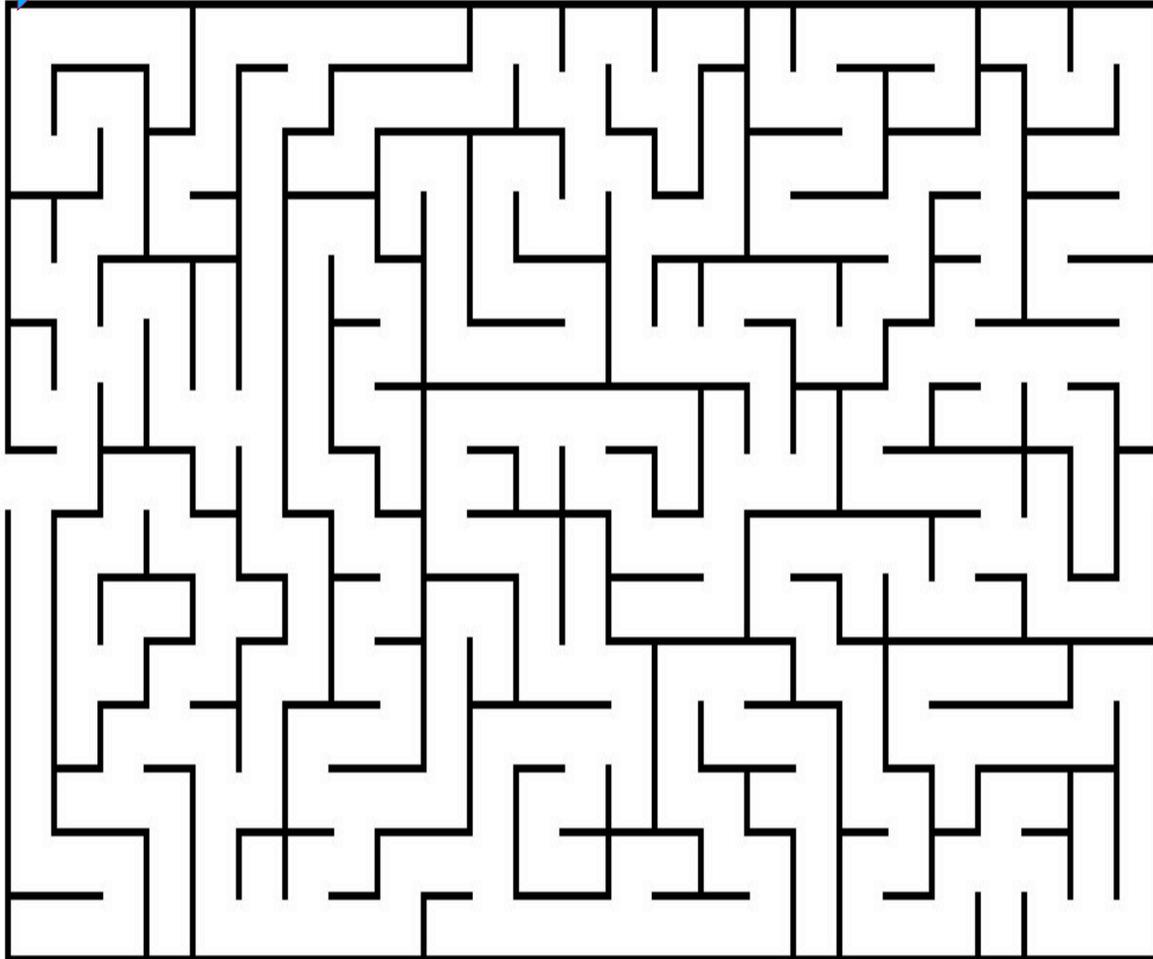

The great task God gives each of us to do every day throughout our lives.

Try it At Home

During Lent, some people choose to practice giving something up during the six weeks before Easter. For example, some people choose to eat only certain types of foods. Others give up bad attitudes or habits. Talk with your parent(s) or guardian(s) what you could give up during this time.
