Shepherds Visit

## Luke 2:8-20

The night that Jesus was born, there were shepherds out in the fields with their sheep.

One shepherd gave a huge yawn. "What a quiet, boring night," he said.

Suddenly, a bright light filled the air, and a stranger stood in front of them.

"AAAAHH!" they shouted. "What's happening?!?"

"Don't be afraid," said the stranger, who was an angel. "I have great news! God's promised savior is born tonight!"

The shepherds looked at each other. "Um. . . why would you tell us? We're just poor shepherds."

"God has come into the world for people just like you! Go to Bethlehem. You'll find the baby wrapped in cloth and lying in a manger."

Suddenly more angels appeared and sang a beautiful song for the shepherds.

Amazed, the shepherds ran all the way to town to find Jesus.
