

Livestream Lenten Worship Directions

Every Wednesday in Lent, Pastor Jen, Pastor Robin and Pastor Evan will livestream Lenten worship services on our [YouTube channel](#). In addition to watching it, you can chat* with other viewers in real time as you watch.

How is this different from Sunday worship? Wednesday Lenten livestreams will broadcast in real time on our [YouTube channel](#). On Sundays, a pre-recorded and edited video plays on YouTube and Facebook.

Can I watch it later if I cannot tune in Wednesday at 7pm? Yes. After the livestream, a copy will post next to all of our worship videos. Watch it at any time.

How do I watch a livestream on YouTube? Directions below.

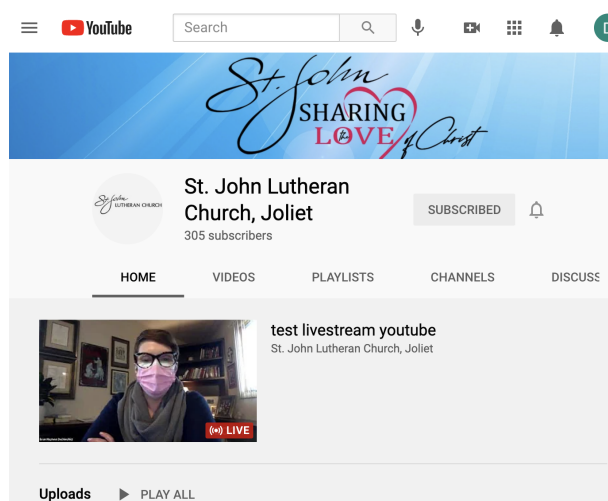

I've never watched a livestream, can I practice doing this? Yes!! St. John will host a practice livestream at 7pm tomorrow, Tuesday Feb. 23rd. Directions below.

What if I cannot find the livestream, or want to chat* but don't know how?
